Re: House Bill 2271 (funeral establishment intern)

Dear Speaker Tobin,

Today, I vetoed House Bill 2271, legislation that would have allowed funeral establishments to employ intern trainees. This legislation does not require enough training and there may be unintended consequences by allowing individuals with minimal training and academic course work to be employed in the funeral industry.

These concerns are among the primary reasons I have vetoed House Bill 2271.

Sincerely,
